OBJECTIVE

Motivated and enthusiastic Computer Science graduate of 2026 with a strong foundation in Java, Object-Oriented Programming, data structures, and algorithms. Seeking an entry-level software development opportunity to apply coding, problem-solving, and communication skills while learning new technologies and contributing effectively to innovative software solutions.

TECHNICAL SKILLS

Languages: Java(Core Java), JavaScript
Backend: Spring Boot, Spring MVC, Spring Data JPA, Hibernate JPA, JDBC, MVC Architecture
Frontend: HTML5, CSS3, Bootstrap, Thymeleaf
Database: MySQL, SQL
Core Concepts: Object-Oriented Programming(OOP),Collections, Data Structures, DBMS
Version Control System: Git, GitHub, Postman
Soft Skills: Problem-Solving, Team Collaboration

PROJECTS

SmartCare – Patient Health Record Management System | Internship Project

- Developed SmartCare, a full-stack patient health record management system using Java, Spring Boot, and MySQL
- Implemented secure authentication and role-based access for patients, doctors, and admins, with features to store, update, and retrieve patient records.
- Built REST APIs with Spring Security, Spring Data JPA, and Hibernate, plus a clean, responsive UI for managing records.

Student Management System | Personal Project | May 2026

- Developed a Student Management System using Java, Spring Boot, and MySQL to manage student records, courses, and attendance.
- Implemented CRUD operations with validation and exception handling for adding, updating, searching, and deleting student data.
- Built REST APIs using Spring Data JPA and Hibernate, following a layered architecture (Controller, Service, Repository).

INTERNSHIP EXPERIENCE

Full Stack Java Intern | Fuel Group of Institutions, Pune **(June 2025 - July 2025)**

- Assisted in developing scalable backend applications using Java and Spring Boot.
- Developed REST APIs using Spring Boot and Hibernate.
- Worked on CRUD operations, API integrations, and database connectivity.
- User-Friendly Frontend web-application with responsive layout.
- Used Git, GitHub, and Postman for version control and API testing.

EDUCATION

B.E. - **Electronics & Telecommunication Engineering**
SSBT's College of Engineering & Technology,
Jalgaon, Maharashtra

CGPA: 8.24/10 | **Graduation: 2026**

CERTIFICATIONS -

- Core Java - Fuel Institute, Pune | Aug 2025
- DSA + Java - Apna College | Feb 2026
